

NAMIGO Membership

NAMI Greater Orlando appreciates all donations and contributions made to continue the support of our programs and services for those suffering with mental illness and their families in Central Florida. Some of the programs that your membership may help to support are Consumer and Family Support Groups, Family to Family Classes, Peer to Peer Classes, and many other services.

Your membership in NAMIGO (and NAMI) includes subscription to the local newsletter as well as subscription to the Florida Sun, published by the NAMI Florida state office, and The Advocate, published by the NAMI national office. As a member you have the right to vote on important issues, and have unlimited use of the NAMIGO library and information available from the NAMIGO office. You can serve on local committees and on the NAMIGO Board of Directors, and you will know that your voice is heard through representation on local community boards and advocacy committees. You will receive updates on current Legislative issues and information on how you can make your voice heard in the Legislative process. You will learn more about Family & Consumer support groups as well as educational programs such as Family to Family and Peer to Peer.
