**New Home for Psychiatric Emergency Services (PES)**

With our patients in mind, **University Hospital** has built a new state-of-the art psychiatric unit to provide the best care and treatment available today. Effective Monday, October 17, Psychiatric Emergency Services will move to 311 Straight Street, the former Deaconess Hospital. This new site is just minutes from the University Hospital main campus. You will still receive care from UC Health's world-class psychiatrists.

**Beginning October 17, please visit our new location for your psychiatric care needs.**
