

**988** has been available for 1 year, but the work continues.

Next year, **9 million people** are expected to contact 988 in a mental health or suicide crisis.

*Will you or someone you love be one of them?*

of Americans support **24/7 call centers** that can respond effectively to people in crisis.

**Congress must ensure 988 is funded** so that everyone can get help during a mental health crisis.

Let's work together to

**REIMAGINE**  
*Crisis Response*

Find new NAMI/Ipsos research at [nami.org/988](https://nami.org/988)

NAMI is the nation's largest grassroots mental health organization advocating for all people affected by mental health conditions.

This NAMI/Ipsos poll was conducted June 2 - 11, 2023, by Ipsos using the probability-based KnowledgePanel®. This poll is based on a nationally representative probability sample of 2,073 general population adults age 18 or older. The survey has a margin of error of ± 2.3 percentage points.
